

**MINNEAPOLIS PUBLIC HOUSING AUTHORITY  
2022**

A = Multiple Dwelling (any building with 3 or more units)  
D/T = Townhouse, Duplex or Double Bungalow  
SF = Single Family Dwelling

To calculate the utility allowance chart simply, start with the Payment Standard amount and then subtract the amounts listed below for all the utilities which the participant (tenant) pays. This equals the Net Rent. If the Owner's proposed rent is *greater* than the Net Rent (payment standard minus the utilities), this unit may be considered NOT affordable for the Housing Choice Voucher Program. Be sure to use the proper column for the bedroom size and the proper unit type. The Range and Refrigerator amounts are for participant owned appliances, so do not add them if they are provided by the owner.
